Wherever you are

Listen to the *Lemon Tree Song*:

I'm sitting here in the boring room
It's just another rainy Sunday afternoon
I'm wasting my time
I got nothing to do
I'm hanging around
I'm waiting for you
But nothing ever happens and I wonder

I'm driving around in my car
I'm driving too fast
I'm driving too far
I'd like to change my point of view
I feel so lonely
I'm waiting for you
But nothing ever happens and I wonder

I wonder how
I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see is just a yellow lemon-tree
I'm turning my head up and down
I'm turning turning turning turning around
And all that I can see is just another lemon-tree

I'm sitting here
I miss the power
I'd like to go out taking a shower
But there's a heavy cloud inside my head
I feel so tired
Put myself into bed
While nothing ever happens and I wonder

Isolation is not good for me
Isolation I don't want to sit on the lemon-tree

I'm steppin' around in the desert of joy
Baby anyhow I'll get another toy
And everything will happen and you wonder

I wonder how
I wonder why
Yesterday you told me 'bout the blue blue sky

And all that I can see is just another lemon-tree
I'm turning my head up and down
I'm turning turning turning turning turning around
And all that I can see is just a yellow lemon-tree

Listen to the song *I saw the sign*

I, I gotta new life, you would hardly recognize me, I'm so glad
How could a person like me care for you?
I, why do I bother when you're not the one for me?

I saw the sign and it opened up my eyes, I saw the sign
Life is demanding without understanding
I saw the sign and it opened up my eyes, I saw the sign
No one's gonna drag you up to get into the light where you belong
But where do you belong?

Listen to the song *When I'm 64*:

When I get older losing my hair,
Many years from now,
Will you still be sending me a valentine
Birthday greetings bottle of wine?

If I'd been out till quarter to three
Would you lock the door,
Will you still need me, will you still feed me,
When I'm sixty-four?

oo oo oo oo oo oo oo oooo
You'll be older too, (ah ah ah ah ah)
And if you say the word,
I could stay with you.

I could be handy mending a fuse
When your lights have gone.
You can knit a sweater by the fireside
Sunday mornings go for a ride.

Doing the garden, digging the weeds,
Who could ask for more?
Will you still need me, will you still feed me,
When I'm sixty-four?

Every summer we can rent a cottage
In the Isle of Wight, if it's not too dear
We shall scrimp and save
Grandchildren on your knee
Vera, Chuck, and Dave

Send me a postcard, drop me a line

Stating point of view.

Indicate precisely what you mean to say

Yours sincerely, Wasting Away.

Give me your answer, fill in a form

Mine for evermore

Will you still need me, will you still feed me,

Listen to the song *If I were a boy*:

If I were a boy
Even just for a day
I'd roll out of bed in the morning
And throw on what I wanted and go

Drink beer with the guys
And chase after girls
I'd kick it with who I wanted
And I'd never get confronted for it
Cause they stick up for me

If I were a boy
I think I could understand
How it feels to love a girl
I swear I'd be a better man
I'd listen to her
Cause I know how it hurts
When you lose the one you wanted
Cause he's taking you for granted
And everything you had got destroyed

If I were a boy
I would turn off my phone
Tell everyone it's broken
So they'd think that I was sleeping alone

I'd put myself first
And make the rules as I go
Cause I know that she'd be faithful,
Waiting for me to come home, to come home.

If I were a boy
I think I could understand
How it feels to love a girl
I swear I'd be a better man
I'd listen to her
Cause I know how it hurts
When you lose the one you wanted
Cause he's taking you for granted
And everything you had got destroyed

It's a little too late for you to come back
Say it's just a mistake,
Think I'd forgive you like that
If you thought I would wait for you

You thought wrong

But you're just a boy
You don't understand
And you don't understand, ohhhh
How it feels to love a girl
Someday you wish you were a better man

Listen to the song *Lady in Red*:

I've never seen you looking so lovely as you did tonight,
I've never seen you shine so bright,
I've never seen so many men ask you if you wanted to dance,
They're looking for a little romance, given half a chance,
And I have never seen that dress you're wearing,
Or the highlights in your hair that catch your eyes,
I have been blind;

The lady in red is dancing with me, cheek to cheek,
There's nobody here, it's just you and me,
It's where I want to be,
But I hardly know this beauty by my side,
I'll never forget the way you look tonight;

I've never seen you looking so gorgeous as you did tonight,
I've never seen you shine so bright, you were amazing,
I've never seen so many people want to be there by your side,
And when you turned to me and smiled, it took my breath away,
And I have never had such a feeling,
Such a feeling of complete and utter love, as I do tonight;

The lady in red is dancing with me, cheek to cheek,
There's nobody here, it's just you and me,
It's where I want to be,
But I hardly know this beauty by my side,
I'll never forget the way you look tonight;

Boy: Now I've had the time of my life
No I never felt like this before
Yes I swear it's the truth
and I owe it all to you

Girl: 'Cause I've had the time of my life
and I owe it all to you

Boy: I've been waiting for so long
Now I've finally found someone
To stand by me

Girl: We saw the writing on the wall
As we felt this magical fantasy

Both: Now with passion in our eyes
There's no way we could disguise it secretly
So we take each other's hand
'Cause we seem to understand the urgency

Boy: just remember

Girl: You're the one thing

Boy: I can't get enough of

Girl: So I'll tell you something

Both: This could be love because

(CHORUS)

Both: I've had the time of my life
No I never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
'Til I found the truth
And I owe it all to you

Girl: With my body and soul
I want you more than you'll ever know

Boy: So we'll just let it go
Don't be afraid to lose control

Girl: Yes I know what's on your mind
When you say:
"Stay with me tonight."

Boy: Just remember
You're the one thing

Girl: I can't get enough of

Boy: So I'll tell you something

Both: This could be love because

(CHORUS)

Both: 'Cause I had the time of my life
No I've never felt this way before
Yes I swear it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched through every open door
Till I found the truth

Instrumental

Boy: Now I've had the time of my life

Listen to the song *The Show must go on*:

Empty spaces – what are we living for?
Abandoned places - I guess we know the score..
On and on!
Does anybody know what we are looking for?

Another hero - another mindless crime.
Behind the curtain, in the pantomime.
Hold the line!
Does anybody want to take it anymore?
The Show must go on!
The Show must go on! Yeah!
Inside my heart is breaking,
My make-up may be flaking,
But my smile, still, stays on!

Whatever happens, I'll leave it all to chance.
Another heartache - another failed romance.
On and on...
Does anybody know what we are living for?
I guess i'm learning
I must be warmer now..
I'll soon be turning, round the corner now.
Outside the dawn is breaking,
But inside in the dark I'm aching to be free!

The Show must go on!
The Show must go on! Yeah,yeah!
Ooh! Inside my heart is breaking!
My make-up may be flaking...
But my smile, still, stays on!
Yeah! oh oh oh

My soul is painted like the wings of butterflies,
Fairy tales of yesterday, will grow but never die,
I can fly, my friends!

The Show must go on! Yeah!
The Show must go on!
I'll face it with a grin!
I'm never giving in!
On with the show!

I'll top the bill!
I'll overkill!

I have to find the will to carry on!
On with the show!
On with the show!

The Show must go on... *(in spite of all)*

Listen to the song *Without you*:

No I can't forget this evening or your face as you were leaving
But I guess that's just the way the story goes
You always smile, but in your eyes
Your sorrow shows
Yes, it shows
No I can't forget tomorrow
When I think of all my sorrow
When I had you there but then I let you go
And now it's only fair that I should let you know
What you should know

I can't live
If living is without you
I can't live
I can't give anymore
I can't live
If living is without you
I can't give
I can't give anymore

Well, I can't forget this evening or your face as you were leaving
But I guess that's just the way the story goes
You always smile, but in your eyes
Your sorrow shows
Yes, it shows

I can't live
If living is without you

I can't give anymore
I can't live
If living is without you
I can't give
I can't give anymore

Listen to the song *Imagine*:

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people living life in peace

You, you may say
I'm a dreamer, but I'm not the only one
I hope some day you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people sharing all the world

You, you may say
I'm a dreamer, but I'm not the only one
I hope some day you'll join us
And the world will live as one
